		21st Mar 2019	Thursday 19.30 - 22.00 Thomas Cook Memorial Hall	Speaker	My Photography – Fine Art or Creative Expression?	Photography has struggled since its inception to be recognised as a fine art. To the uninitiated it has been deemed to be merely a reproductive medium in which the end product was clear. The input of the photographer as an artist was considered as simply a technician who "operated the medium" and, in that way, produced the photograph. With the advances made in Digital Imaging and manipulation – can photographs now be construed as art?	Jim Hartje
